**AFFIDAVIT IN SUPPORT
OF ARREST WARRANT**

Bolan, Donald Leroy Jr.

DOB: 1

Defendant.

Jonathan Carda, being first duly sworn on oath, deposes and states that he is a Detective of the Sioux Falls Police Department and states that he is one of the officers in charge of the investigation of the above-styled matter. That your Affiant makes this Affidavit in support of the State's Attorney's request for a warrant for the arrest of the above-named Defendant(s), and in compliance with SDCL 23A-2-2, and states as follows:

1. On 01/05/18 at 0147 hours, Officers of the Sioux Falls Police Department were dispatched to [REDACTED] W. Stoney Creek Street #37 in reference to a sexual assault. Based on this call for service, case number 2019-00257 was generated.
2. Officers enroute were informed the reporting party was driving down Sertoma Ave. near W. Stoney Creek St. and saw a woman in the middle of the road. This woman stated to the reporting party she had just been raped.
3. Officers then located the victim, [REDACTED] DOB: [REDACTED] in the passenger seat of the reporting party's car. She was crying hysterically and was visibly shaking. The victim was wearing only a black pair of leggings, which were loose fitting. She was not wearing a shirt, bra or shoes. Officers saw what appeared to be a large amount of blood in the victim's hair coming from an injury to the back of the victim's head.

4. The victim reported she resides at [REDACTED] W. Stoney Creek St. [REDACTED] and she was alone in the residence, sleeping in her bed, which is on the second floor of the townhome.

5. The victim described she was sleeping and awoke suddenly. She sat up in bed and saw a man at the foot of the bed. She described the man as being less than six feet tall, wearing a black winter cap.

6. The victim screamed and the man approached the bed, placed his hand over the victim's mouth and shoved her head backward. The victim's head struck the headboard, causing an injury to the back of the victim's head. The man told the victim not to look at him, demanding she hold a pillow over her face.

7. The victim was forced on to her stomach and she remained in this position while the man pulled the victim's pants down to her knees. The man then inserted his fingers into her vagina and he removed the victim's tampon. The man used his fingers to penetrate the victim's vagina and anus; he then inserted his penis into her vagina, then anus and finally her vagina once again.

8. The victim believed the man removed his penis from her vagina, ejaculated on her back and wiped the ejaculate with the top sheet of the bedding.

9. During the assault, the man asked the victim if her name was "[REDACTED]." The victim stated it was not. The man said, "your ex-boyfriend [REDACTED], told him this was your fantasy." The victim told the man she has never dated anyone named "[REDACTED]."

10. The Victim reported the man soon began to understand the victim's name was not "[REDACTED]" and he told the victim he was in the wrong apartment. The victim described the man becoming "panicked" and he "started to freak out." The man stated, "Oh my god, I'm in the wrong place!"

11. The man then hugged the victim, rubbed her back and told her he was sorry. The victim asked for a drink and the man provided to her a bottle of soda located on her nightstand. The man then lit a cigarette and gave it to the victim.

12. The man then left the bedroom. The victim feared for her life, so she removed the screen and opened the window. The victim stepped on to a ledge, and then jumped to the ground from the second story bedroom window.

13. The victim then ran toward the street, wearing no top or shoes. While doing so, she saw the man who assaulted her walking away from her apartment through the playground area and passing a dumpster. The victim then flagged down the reporting party on Sertoma Ave.

14. On 01/07/19, Officers were contacted by the victim, who reported neighbor children located a South Dakota ID card issued to the Defendant. The ID was found near the dumpster/ playground area on the early evening of 01/06/2019, one day after the assault on the 5th.

15. On 01/08/19, the victim viewed a photo line-up containing the Defendant's photo in position #3, in the upper right corner. The victim Identified the Defendant as being the person she recognized in her townhome and who sexually assaulting her.

16. On 01/09/19, Officers were dispatched to the manager's office of the Stoney Creek townhomes. Management reported a resident turned in a cell phone with a grey case which was found near the complex dumpster on a cinderblock wall, about five feet from where the Defendant's ID card was found a few days earlier.

17. In the grey case was a social security card and a medical insurance card belonging to the Defendant.

18. Through the course of the investigation, Detectives submitted the victim's sexual assault kit and bedding to the South Dakota DCI Laboratory for DNA analysis. On 01/19/19, the State DCI Laboratory contacted Detectives to report a foreign DNA profile was present and identified within the evidence forwarded for analysis.

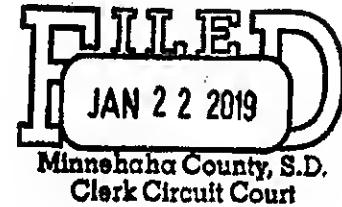

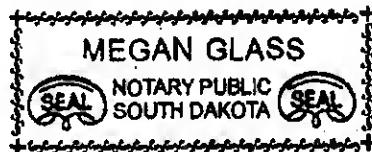

19. Additionally, the foreign DNA profile matched an existing DNA profile, belonging to the Defendant, located within the FBI's Combined DNA Index System (CODIS).

20. Your Affiant swears this information is true to the best of his ability and that these events occurred in the City of Sioux Falls, Minnehaha County, State of South Dakota.

The search you requested is a court records search based on information you provided. The search results may include criminal court data from January 1989 to present, civil court data from January 2006 to present, active money judgments for the past twenty years, and/or inactive money judgments since April 2004, DEPENDING ON THE TYPE OF SEARCH REQUESTED. Records returned are only those that precisely match this information. There may be instances where fine and cost information will appear immediately below a dismissed charge. The amounts indicated are accurate for a different charge but there should be no fine and cost information related to a dismissed charge. Based on the age of a case, not all financial information may be available in the case management system. You should contact the Clerk of Court office where an original action took place to correct any misinformation and collect any missing information.
